

# CIN at a glance

January 2021

CIN is a Portuguese privately owned coatings company, acting through subsidiaries in Portugal, Spain, France, Poland, Turkey, Angola, Mozambique, South Africa and Mexico and looking to extend its activities to other countries in Europe, Africa and South America.

Portuguese market leader since 1992 and Iberian market leader since 1995, CIN ranks as 16th largest paint company in Europe\* and 48th in the world\*\* with a turnover of 234 million euros.

CIN is a great place to work, attracting, developing and retaining talent by offering challenging and rewarding career opportunities.

With seven Research & Development Centres (R&D) in Portugal, Spain and France, CIN continually strives for innovation to improve processes, anticipate market needs and ensure the success of its products, which are sold in over 50 countries.

In addition to innovation, CIN has long been committed to the quality and sustainability of its operations, having successfully achieved and maintained its certified Quality (ISO 9001), Environment (ISO 14001) and Hygiene, Health and Safety (ISO 45001) Management Systems.
